MyMathLab Temporary Access Course Registration Instructions

Dear Student,
Temporary access for students waiting on financial aid may be available for your instructor’s Pearson online course. If it is, you will see the temporary access option after entering your course id.

Temporary access lets you fully participate in your instructor’s online course for 17 days without payment. Anytime before the 17th day you must pay or use an access code to keep access to the course and the work you have completed.

What You Need to Enroll in your Instructor’s Online Course

✓ **A Course ID:** ________________________ (Your instructor will give you this.)
✓ **A valid email address that you check regularly**
   This address will be used to confirm your registration and for other communication about the course. Your instructor will also use this email address to communicate with you.

To Register using Temporary Access and Sign in to Your Instructor’s Course the First Time

- Go to [www.pearsonmylab.com](http://www.pearsonmylab.com)
- Click **Student** under Register.
- Enter your Course ID and click **Continue**.
- Verify your course information and choose **Request temporary access**.
- Review the temporary access information and click **Enter Course Now**.
- You have a Pearson Education account if you have used other Pearson online products. Click **Yes** and enter your login name (username) and password, and click **Next**.
- If you don’t have a Pearson account, click **No** and create a login name (username) and password, then click **Next**.
- Complete your account setup by entering your name, email address and any other required information.
- Print the Confirmation & Summary.

You now have temporary access to your instructor’s online course. Click **Log In Now**, and then in the left panel, click the course name to start your work.

To Sign in to Your Course Again Later

- Return to [www.pearsonmylab.com](http://www.pearsonmylab.com)
- Click **Sign In**.
- Enter your Pearson account username and password and click **Sign In**.
- In the left panel, click the course name to continue your work.
Change Temporary Access to Full Access
Student Instructions

Your instructor chose MyMathLab to help you succeed in your course. With rich media, your eText and much more, your course provides you with the resources to master even the most difficult concepts.

To get full access to your MyMathLab course after enrolling with temporary access, you must use an access code, a credit card, or a PayPal account.

Email Link Instructions
You should have received at least one email containing a payment link.

- Click the payment link in the email.
- Verify the course information.
- Pay for your course access.
  - If you have already purchased an access code, click Use an access code, enter the code and click Next.
  - If paying online, click Pay with a credit card or PayPal, then click the button for the access you want to purchase.
- Enter your password and click Next. Follow the instructions to finish.
- Print the Confirmation & Summary.

You now have full access to your instructor’s online course.
Click Log In Now, and then in the left panel, click the course name to continue your work.

Website Instructions
If you cannot access your email:
